International Registration Scheme for Assessors

FEE SCHEDULE

Fees are established annually and apply for the following 12 calendar months.

The Scheme aims to ensure that certification is easily available to all competent assessors world-wide at an affordable price.

The fee structure will be adjusted to take account of the economic and market conditions of different countries so that all assessors and organizations can benefit from certification.

The fee schedule for Band 1 for the calendar year 2006 is defined below.

Band 2 rates are 10% discount on Band 1
